

## Adapted Animals

You may have noticed an invasion of strange looking animals in our library. As part of the year 6 topic 'Extreme Environments' they had to create a new creature

which had adapted to survive in it's habitat. Mrs Cross from Dordon Primary School then came and chose her favourite animals. Make sure you stop by and have a closer look - Don't worry; they don't bite!

We had lots of fun creating our creatures.

It got a little bit messy too!
