

English

This half term we will be developing our writing skills across a range of genres. These will include: Letter writing, diaries, newspaper reports, stories, poems, information pages, persuasive arguments and adverts. We will continue to develop our skills in spelling, punctuation and grammar.

Maths

Our focus this term will be on developing and improving our number skills. Key areas include: Place value, calculation strategies, fractions, decimals and percentages and shape. Where possible, we will link our learning in maths to our exciting theme work.

Science

In Science, we will be learning all about 'Light', how it travels and how the eye interprets light. Through our theme we learn how periscopes were used in World War I.

ICT

Purple Mash.
Using research and new learning to complete a series of
Writing projects and postcards on World War 1, using writing frames and photographs on Purple Mash.

History

We will be learning about how did World War 1 began, events that occurred and how propaganda used during the war.
We will also be learning about life in the trenches.

Our Autumn Theme

World War 1.

Geography

We will be learning about the European Countries involved during World War 1 and the Geographical implications of crossing borders.

Music

Young Voices
