

Quick minutes for Birchwood School council

Date: 09/10/25

Children who did not attend: ER

Extra attendees:

| Proposal/idea | Action plan | | |
|---|--------------|---|---------------------------|
| | Who | What | When |
| School council to vote on chosen charity. | Whole School | <p>We put 3 charities forward this year to be nominated as charity of the year:</p> <ol style="list-style-type: none"> 1) Air Ambulance 2) SANDS 3) Local children's charity <p>Air Ambulance came out as the charity that the children want to support. They all had experiences to share about when they have seen it, or know people who have used it, and were keen to support it.</p> <p>https://theairambulanceervice.org.uk/your-local-air-ambulance/?dm_i=7YJN%2C2A4YE%2C563MZV%2C4DODY%2CI</p> | 2025/26 |
| WWF Sponsored Animal | Whole School | <p>We looked at the WWF website at the list of animals to adopt. The short list was Mountain Gorilla or Rhino, as these are both animals that needed funding and we have not supported before. The School Council voted for Rhino.</p> <p>Winning Animal: = Rhino</p> <p>https://support.wwf.org.uk/adopt-a-rhino</p> | ASAP |
| Children in Need Friday 14 th November | Whole School | <p>The theme this year for Children in Need is 'Challenge Yourself'. The school council discussed simple ways of supporting this day and suggested the theme: 'Challenge yourself to be Bright'. This could be dressing up in bright coloured clothing, or it could be challenging yourself to try some more challenging work- or both. There are lots of Pudsey themed work ideas on the website, including maths challenges, so a Pudsey themed piece of work on the day could be fun too.</p> <p>https://www.bbcchildreninneed.co.uk/schools/primary-school/curriculum-linked-maths-resources/</p> | 14 th November |
