

Curriculum Information

Spring 2 Year 2

Our topic this half term is 'Under the Canopy'

Can you help save the orangutan's home from being destroyed?

This half term, we are going to become rainforest experts by learning about some of the factors that lead to the harming of the rainforest. Some of the things we are going to be finding out about are living things and their habitats, pollution and sustainability.

As writers, we will be creating a piece of writing surrounding our trip to Stratford Butterfly Farm, and writing a non-chronological report all about orangutans! We will continue with our Active Spelling lessons.

As readers, we will continue with our guided reading sessions. We will revise the VIPER skills during our guided reading written tasks.

In Maths, we will begin to learn about fractions of shapes and of quantities; we will add and subtract 2-digit numbers using regrouping and adjusting, and we will explore money.

In Science, we will learn about living things and their habitats.

In Art, we will be studying the artist Rousseau and his painting 'Tiger in a Tropical Storm', we will sketch leaves and create our own jungle painting.

In Computing, we will be creating a spreadsheet on Purple Mash, using graphs and totalling tools.

In Music, we will begin to learn about crescendos and decrescendos whilst exploring pieces of music about trains.

In PSHE, our focus is on the 'Relate' module in the My Happy Mind programme. We will learn how to see others perspectives to help build positive relationships.

In PE, we will take part in gymnastics; performing a range of balances, jumps and rolls. We will also take part in a variety of team games.

In RE, we will learn what Easter and The Resurrection mean to Christians.
