

# The Story-Writing Challenge!

## Winter House Competition

### The Challenge:

With the Winter holidays just around the corner, the Birchwood House Captains want you to celebrate the season by writing a seasonal story called **'The Snowman Who Came to Life'**. Your story could involve anything: perhaps a snowman you built on the school field with friends follows you into lessons, or perhaps it takes you on an adventure to the North Pole – the only limit is your imagination!

### The rules:

On the reverse side of this letter, there is a writing sheet for your story. You can write your story on here, or make your own decorative design to go with your writing. Try to keep your story to one side of A4 in length and feel free to add illustrations to really bring it to life!

Please return your completed stories to your class teacher by Friday 16th January. They will pass them to your House Captains for judging!

**All entries to the competition will receive one house point, which will be given by your teacher and added to the house score. The house with the most entries will also receive a 10 point bonus. 2<sup>nd</sup> place will receive a 5 point bonus, 3<sup>rd</sup> place will receive 3 points.**

**Our House Captains will also select a KS1 and KS2 winner from their own house, who will receive a special prize for their entry!**

## Good luck and Happy Holidays!
