Hello, hello I'm Bobbie Hanley and I have been eager to become House Captain for ages! Year 5 maybe.

Goodere are usually first but last year Chaytor stole it off us. Are we going to earn it back? Go on tell me.

I can't hear you! Good! I want to be House Captain to help our community. Improvements, equipment and to help all of you of course.

To be an outstanding House Captain you need to be polite, honest, kind, helpful and thousands of other things! Lucky for you, I've got them all. Pollution, a big problem we can help with. Put rubbish in the recycle bin. I'm also very into sports so on sports day we'll be winning. If you need some advice or are feeling sad I'll try my best to help you. Consideration? You would've thought it was my middle name, I'm always caring for others. And if you think that's alot if I'm House Captain I pinby promise to let ask Mr. Coleman to go on the trim trail. We all want to see that; I know you do.

I will set a good example and lead you through the year and victory? Ours. Before I end good luck. Remember vote Bobbie.
