**Birchwood Primary School**

**Class Teacher (KS2) - Required from January 2020 (Permanent)**
**Teacher Main Scale M1 – M6**

The Governors of Birchwood Primary School are seeking an excellent class teacher to join the friendly team of our popular and successful 'outstanding' graded (OFSTED) school.

Birchwood Primary School is a very popular and thriving school. It is a wonderful place to teach in and an inspirational place to be a pupil in. We are very fortunate to have over 430 enthusiastic, energetic and wonderfully behaved children, who are always up for a challenge and demonstrate excellent learning behaviors. They are fiercely loyal to their school and highly supportive. Birchwood is very proud of our fantastic reputation and excellent relationships with our community.

We are proud of our committed staff at all levels. They take great pride in their school and make a strong impact on outcomes for our pupils. The teachers, highly praised by OFSTED in 2014/15 for their teaching and commitment, are a professional and hardworking team who are excellently supported by our invaluable Teaching Assistants. Our Midday Supervisors, Site Management and Administration teams are highly valued and share our determination to drive forward progress. Together we are a fantastic team who develop, support and guide each other to ensure that we achieve the very best for all stakeholders. We are also proud to be a 'Warwickshire Fair Workload School'.

We are looking forward to welcoming a new teacher to join our team in our journey as an 'outstanding' school. Support and professional development is second to none. Not only do our Newly Qualified Teachers experience an induction programme which is recognised as a 'county model of best practice', but all of our staff at every level benefit from high quality professional development opportunities. Many of our staff have also enjoyed the unique and unrivalled opportunity to work across our excellent academy primary schools and gain promoted posts within our academy.

Our school gets involved in everything. We enter all manner of competitions from poetry writing, to singing in national choirs, to local sports events. We have a fantastic and exciting curriculum that ensures all of our children engage in 'Rich Opportunities and Memorable Experiences'.

The successful candidate will:
- be an excellent classroom practitioner who ensures that all children whatever their ability make great progress
- be a dedicated professional with the ability to inspire children and their colleagues
- set the highest standards for themselves and others
- have excellent subject and curriculum knowledge which they use to engage children
- work successfully and positively in partnership with parents and our community
- Committed to safeguarding and promoting the welfare of all children

You will benefit from:
- Pupils whose 'outstanding behaviour' contributes strongly to our school ethos
- Innovative colleagues who are great 'team players' and are always welcoming and supportive
- Parents who encourage their children to do their best and support us at every opportunity
- Highly regarded professional development opportunities for teachers at all stages in their career
- The opportunity to work across our primary schools and unrivalled career opportunities
- A leadership team who will support, encourage and allow you to shine

We welcome visits and would be delighted to show you around our wonderful school.
